

# Birla Open Minds International School, Kr Puram – Moulding young minds!

The Birla Open Mind School provides a nurturing environment wherein young children feel loved, cared, secured, respected and valued. The school focuses on 4 C's: Care, Co-operation, Collaboration and Courtesy, while nurturing today's children to be tomorrow's leaders!

## UNDERSTANDING MINDS, UNFOLDING NEWER PARADIGMS

Since inception in 2010, Birla Open Minds School has grown to 65+ pre-schools and 55+ K-12 schools throughout India. The group takes great pride in its close-knit community of academicians, researchers and professionals. The schools are focussed on providing contemporary and world-class education for nurturing India's tomorrow.

Learning at Birla Open Minds International School, KR Puram, Bengaluru, encompasses wide-ranging interests in the sphere of high-quality education with a dedication to excellence. The institution has a firm focus on providing contemporary and world-class education for India's tomorrow, bringing forth a new way of fostering Multiple Intelligences and the New education policy 2021 have guided the planned curriculum.

The school offers a unique integrated Birla curriculum which draws from various renowned education boards like IGCSE, IB, CBSE and ICSE for students from Grade 1 to Grade 8. This approach ensures that the children are well prepared to take examinations of any foreign country to pursue higher education overseas after grade 8. The CBSE curriculum has been adopted for grades 9 and Grade 10. Birla Open Mind School is further committed to ensure the holistic development of children with equal focus on academics, sports and extra-curricular activities.

## DEVELOPMENTALLY APPROPRIATE LEARNING EXPERIENCES AT EVERY LEVEL

Birla Open Minds offers a comprehensive solution for education that envelops the individual's learning, right from the formative early years to K-12 schooling.

The thematic preschool curriculum, draws on neuro-scientific research, focussing on learning new concepts naturally through learning experiences that are relevant at a particular age and stage in life. Developmental Appropriateness, Brain Compatible Learning and the theory of Multiple Intelligences guide the creatively designed curriculum for pre-schoolers to ensure learning for all children.

The curriculum for grades 1-4 is thoughtfully planned to ensure that each child at school enjoys these years in education, discovery and creative engagement. Research on cognitive

adaptation and developmental appropriateness, the theory of Multiple Intelligences and the New education policy 2021 have guided the planned curriculum.

## A NURTURING ENVIRONMENT

Birla Open Minds International School seeks to firmly reiterate and restore what Rabindranath Tagore called the hallmark of childhood – the 'joy of learning' and the 'creative spirit'. The school believes in the uniqueness of each child and fosters holistic development through integrated learning opportunities. The constructivist approach adopted ensures learners are actively involved in their learning in a self-governing environment and learning experiences are interactive, student-centred and progress from known to unknown, concrete to abstract and local to global.
